IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

In re: JDS UNIPHASE CORPORATION
SECURITIES LITIGATION

No. C-02-1486 CW (EDL)

This document relates to ALL ACTIONS

**ORDER GRANTING IN PART AND
DENYING IN PART LEAD PLAINTIFF'S
MOTION FOR EXTENSION OF
DISCOVERY PERIOD TO CONDUCT
DEPOSITIONS**

Lead Plaintiff's motion is granted in part to allow the deposition of the Nortel 30(b)(6) witness to occur in January 2007, due to the witness's prior unavailability, which provides good cause. Also, as agreed to by the parties, Lead Plaintiff may take the deposition of Scott Parker after the cutoff.

Lead Plaintiff's motion is denied without prejudice insofar as it seeks a blanket extension of the discovery cutoff due to various late-produced documents. The Court will only extend the cutoff as to particular depositions upon a showing that particular late-produced documents establish good cause for that particular discovery. The Court denies the motion as to the JDSU 30(b)(6) deposition without prejudice because it is the subject of a motion for protective order (docket no.695).

This Order disposes of Docket No. 689.

IT IS SO ORDERED.

Dated: December 13, 2006
